Collecting Money for Hearing Assist Devices

Our church needs to update our system to provide for those attending that need a hearing assist device. Hearing aids do not always meet this need. Our current system is outdated, and needs replaced. It is estimated that this will cost between \$1000-\$1200 to update and assure that all can hear God's word in our church. This will allow multiple people to use a device to better hear what is being said I am asking that some join me in funding this by designating an extra gift for this need. You can do this by putting money or a check in an envelope and writing that it is for the hearing assistance device or giving online to the General Fund and in the note, section noting it is for this purpose. Donations can also be sent to the church office.

Thank you! *Savita Franks*

New Acolyte Robes

Acolytes have new robes to wear. There are three new robes of various lengths hanging in the Usher/Greeter room. The acolyte will choose the robe that best fits his/her size. These new robes have different color cords that tie around the waist. So whatever color it is for that Sunday, that's the color cord the acolyte will wear around the waist. The cords are kept in containers below the robes.

Ushers

We have resumed ushers collecting our offerings during the Offertory. So please take note if you are listed as an usher in the "Servant Minister Schedule" of the newsletter, you will resume usher duties for that month. A minor change up until further notice, after offerings have been collected one usher will bring collection plates forward and place on the altar railing during the singing of last song.

Blessings,
Worship Committee
